

THE CURATOLO ARINI VARIETAL WINES

CATARRATTO 2021

Terre Siciliane IGT

Bright straw-yellow, on the nose it has a bouquet of white peach, pear and broom. On the palate the hints of herbs perfectly blend with a fragrant and mineral finish.

The vineyard

The vineyards are located in contrada Chirchiaro among the hills of the hinterland of western Sicily at an altitude of 500 m. above sea level, on a siliceous and limestone medium textured soil. The vines are planted using a trellis system east-facing and the Guyot pruning system.

Winemaking

Manual harvest was carried out on September 22nd. Destemming, coldmaceration for a few hours and soft pressing.

After the fermentation at 15° C in stainless steel tanks, the wine is aged "sur lies" for 6 months prior to bottling.

2021 Vintage

Despite the very hot year, with peaks of 40 degrees during the month of August, the vegetative cycle of the vineyards was regular thanks to the constant winds from the North and the temperature excursions at night. To help the climatic phenomena in guaranteeing the quality of the grapes, excellent management of the vineyard with very expanded vegetation aimed at protecting the clusters from excessive heat, the altitude and the slope of the vineyards intervened. The balance between the components of the different terroirs, vine, soil and climatic conditions and anthropogenic action, once again ensured a memorable year for our wines. Harvest was anticipated of at least 1 week compared to the previous year.

Grapes

Catarratto

Colour

Bright straw-yellow

Scent

On the nose it has a bouquet of white peach, pear and broom

Taste

On the palate, herb hints perfectly blend, leaving a fresh and mineral finish
