

THE CURATOLO ARINI VARIETAL WINES

## SYRAH 2020

Terre Siciliane IGT

Intense red with purplish highlights, on the nose it has hints of red berry fruits, blueberries and pepper. On the palate it is full with an elegant and spicy finish.

### The vineyard

The vineyards are located in contrada Fulgatore at an altitude of about 200 m. above sea level on a medium textured soil tending to clayey. The vines are planted using a trellis system south-facing and the Guyot pruning system.

### Winemaking

Manual harvesting started on August 25<sup>th</sup>. Destemming and alcoholic fermentation on the skin for about 12 days in stainless steel tanks at 24° C. Soft pressing and malolactic fermentation in steel. A part of the wine is aged in oak casks for about 6 months.

### 2020 Vintage

The Sicilian wind and the right altitude together have assured a perfect ripening of grapes despite the winter drought and the light spring rains. The summer months have been very warm but windy: the west wind during the warmest hours of the day, between 11:00 a.m. and 4:00 p.m., helped to face high temperatures. Temperature changes are considerable, from peaks of 40 degrees during the morning to 25 degrees at night. These particular conditions have helped preserve the quality of the fruit and its varietal features. The harvest started a few weeks earlier compared to the past years.

### Grapes

Syrah

### Colour

Intense red with purplish highlights

### Scent

Hints of red berry fruits, blueberries and white pepper

### Taste

On the palate it is balanced, with an elegant and spicy finish

### Pairings

Meat first courses, braised meat, or a selection of cheese
