

THE CURATOLO ARINI VARIETAL WINES

SYRAH 2021

Terre Siciliane IGT

Intense red with purplish highlights, on the nose it has hints of red berry fruits, blueberries and pepper. On the palate it is full with an elegant and spicy finish.

2021 Vintage

Despite the very hot year, with peaks of 40° during the month of August, the vegetative cycle of the vineyards was regular thanks to the constant winds from the North and the temperature excursions at night. To help the climatic phenomena in guaranteeing the quality of the grapes, excellent management of the vineyard with very expanded vegetation aimed at protecting the clusters from excessive heat, the altitude and the slope of the vineyards intervened. The balance between the components of the different terroirs, vine, soil and climatic conditions and anthropogenic action, once again ensured a memorable year for our wines. Harvest was anticipated of at least 1 week compared to the previous year.

The vineyard

The vineyards are located in contrada Fulgatore, at an altitude of about 200 m. above sea level on a medium textured soil tending to clayey. The vines are planted using a trellis system south-facing and the Guyot pruning system.

Winemaking

Maceration and primary fermentation on the skin for about 12 days in stainless steel tanks at 24° C. Soft pressing and malolactic fermentation in steel. A part of the wine is aged in oak casks for about 6 months.

Grapes

Syrah

Colour

Intense red with purplish highlights

Scent

Hints of red berry fruits, blueberries and white pepper

Taste

On the palate it is balanced, with an elegant and spicy finish

Pairings
